# SARAH BERNHARDT

(Lemoine 1906)

Rating 9.0

Unsurpassed as a fine cutflower peony. Perfect form, graceful stem, free blooming and exquisite color; lovely deep apple-blossom pink.

We have a wonderful stock of 3-year clean, healthy plants. Because we do not use our peonies for commercial cutflowers, you are assured of getting exceptionally vigorous plants. Early ordering is advisable as this variety is a great favorite with the cutflower trade.
